## AUDREY'S CAKES POLICIES

### REFUNDS & RETURNS

All sales are final, with the exception of custom orders cancelled with sufficient notice (Cancellation Policy). In the unlikely event that you are not happy with your order, please let us know as soon as possible so that we can fix any error, and return the uneaten portion within 24 hours. Partial or full refunds are decided on a case-by-case basis, but please note that we do not provide refunds in cases where an item was prepared correctly but a flavor or texture did not meet a personal preference or damages incurred after delivery or pick up.

### DEPOSITS

A 50% non-refundable deposit is due at the time of placing any custom order, with final payment due at (1) time of the delivery or pick-up. In the event of cancellation, these monies are forfeit (and cannot be credited toward future bakery purchases). If your custom order is made less than one (1) week in advance, the total amount is due immediately. If final payment is not made by this date, the order is considered canceled.

### CANCELLATION

Notification of cancellation must be made ten (10) or more days prior to the delivery or pick-up date in order to receive a partial refund of monies paid. No refunds or credits will be issued for cancellations made with less than ten (10) days notice. Note that regardless of the cancellation date, the 50% deposit is always non-refundable.

In the event of a cancellation made by Audrey's cakes within 72 hours, all deposits are fully refundable as well as compensation of rush fees for custom orders made directly to the establishment up to \$75.

### DESIGN FINALIZATION

The tenth day prior is the final date for any changes of size, style or flavors of the cake. Any changes requested after this date cannot be guaranteed and may be subject to additional rush-order charges based upon time and product availability.

### RUSH ORDERS

Rush orders are subject to ten percent (10%) charge if made with in five (5) days of final pickup or delivery date, twenty percent (20%) if with in 3 days of final pick up or delivery date.

### TASTING DISCOUNT

After a cake tasting you are eligible to a discount applied to your final cake order. Fifty percent (50%) of the tasting fee is applied to the final cake price.
